

REPUBLICA DEL ECUADOR
EMBAJADA DEL ECUADOR EN EGIPTO

Ministerio
de Relaciones Exteriores,
Comercio e Integración

No. 4-8- 01 /13

The Embassy of Ecuador presents its compliments to the Honorable Ministry of International Cooperation and has the honor to attached herewith as attachment an example of the pamphlet entitled "The Prometeo Project", published by the General Secretary of Superior Education, Science, Technology and Innovation-SENESCYT-.

This pamphlet has information about PROMETEO which is an invitation to the researchers interested in sharing their scientific knowledge in Ecuador.

The researchers will have the opportunity to live temporarily or permanently in Ecuador, enabling them to work full time on scientific and academic activities, and to discover the wonders of a very diverse country.

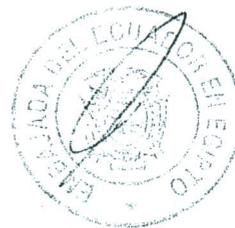

PROMOTEO provides funds for stays of at least four months in nation research institutes, universities, polytechnics and various public sector entities.

The application to PROMETEO is available in Spanish or English, please fill out online form at the following link: <http://prometeo.senescyt.gob.ec/portal/web/prometeo/inicio/>

The Embassy of Ecuador avails itself of this opportunity to renew to the Honorable Ministry of International Cooperation the assurances of its highest consideration.

Cairo, 8th., January 2013
