**DEPARTMENT OF HUMAN RESOURCES, SCIENCE AND TECHNOLOGY**

**MWALIMU NYERERE AFRICAN UNION SCHOLARSHIP SCHEME**

**Special Call for Scholarship Applications**

**(Only for Female Applicants)**

**Masters Programmes in Science, Technology, Engineering,  
Mathematics and Education Science (STEME)**

The Mwalimu Nyerere African Union Scholarship Scheme was launched in 2007 with the aim to contribute in the production and retention of high level African human resources for sustainable development of the continent in critical development areas, while promoting regional integration through intra-African mobility of students. The Scholarship Scheme is intended to enable young Africans to study in leading African Universities with a binding agreement that beneficiaries will work in any African country for at least the same duration of scholarship period after graduation.

To encourage the participation of young African female students at postgraduate level in the field of Masters Programmes in Science, Technology, Engineering, Mathematics and Education Science (STEME), the Commission of the African Union offers a Special Call for Scholarship Applications (**Only for Female Applicants**) to study Masters Programmes in Engineering and Applied Sciences, tenable in reputable African Universities.

**ELIGIBILITY CRITERIA**

To be eligible for the Special Scholarship, a candidate must:

- ii. A recent passport-size photograph
- iii. Summarized CV with names and contacts of three referees.
- iv. Certified copies of academic certificates and transcripts
- v. Certified copies of Passport or national Identity Card indicating citizenship
- vi. Copy of admission letter from a leading African University
- vii. Two (2) Reference Letters with contact addresses.
- viii. An essay of not more than 500 words that explains why the candidate has chosen her particular field of study and its importance to Africa's development.

Two (2) sets of hard copies of the above documents must be sent by post to the address below.
